Grand DISCOVER PAVERS in Enlighten, Summit Stone Tumbled in Majestic and Vision

Grand DISCOVER PAVERS in Enlighten, ELEMENTS Paving Stones 4x8 in Beckon and Vision, Tribute Smooth in Enlighten, Prestige Coping in Quiet Beach, Unity in Enlighten

The color photos shown in this catalog were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.

LANDSCAPE & MASONRY
PRODUCTS

COUNTY MATERIALS CORPORATION

Rely on County Materials to handle all your masonry product needs. With 75 years of experience, County Materials' team crafts long-lasting concrete masonry products that are used to build communities across the country. We specialize in load-bearing and full and thin veneer concrete masonry units and offer compatible masonry solutions from our trusted partners. Come see us for your next project!

Brick

Available in several colors, shapes, and sizes, our concrete and clay brick offerings allow builders and developers the flexibility to create visually appealing buildings while adhering to a requisite for clay brick. Its warmth, texture, and scale helps create a sense of place.

Heritage Collection™ Designer Concrete Brick offers unmatched value by combining the aesthetics of brick with all the advantages of concrete masonry: structural strength, economy, fire resistance, availability, sound control, low absorption, energy efficiency and speed of construction.

Pavers

Grand XL DISCOVER® in Enlighten, Summit Stone in Enlighten, Fire Pit Cap in Vision, Crest in Vision, ELEMENTS™ in Vision

Our pavers combine multiple colors, sizes, and textures to enhance your hardscape. We offer dimensionally compatible and unique sizes to expand your outdoor design options.

Manufactured with Genesis Face-Mix Technology®, our pavers are durable and feature vivid, nature-inspired colors that complement your yard's ambiance. Easily create a striking driveway, inviting front entrance, or elegant pool deck and lounge area.

Retaining Wall Systems

Tribute® Smooth in Reflection, Passageway Steps in Reflection, Grand DISCOVER® in Allure, Grand XL DISCOVER in Allure, ELEMENTS Paving Stones in Vision and Reflection

Retaining walls transform sloped yards into functional, multi-tiered patios, control erosion, and divide outdoor spaces for cozy gathering spots.

Designers seek retaining wall systems that are durable and aesthetically pleasing. County Materials' segmental concrete retaining wall systems provide long-lasting performance and versatile design options.
