

# Precast Concrete Fence

Toll Free: (800) 242-7733 • [countyprestress.com](http://countyprestress.com)

## Manufactured in the USA by County Prestress & Precast

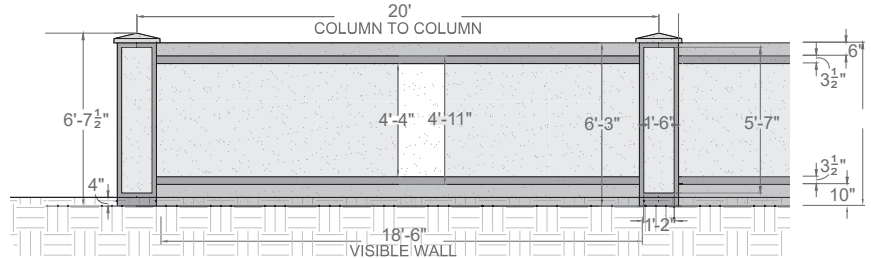

Precast Fence Walls manufactured by County Prestress & Precast are a durable, weather-resistant solution ideal for various applications, including screen walls, security walls, and perimeter walls. Designed for efficiency and long-lasting performance, our fence walls are produced in PCI and NPCA certified facilities, ensuring shorter lead times to accommodate tight construction schedules.

### Consider the Advantages

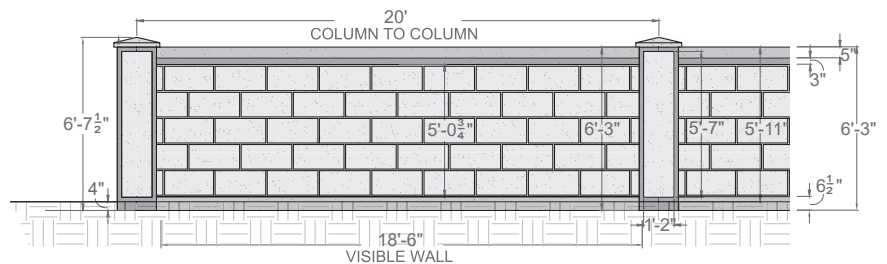

- Built to last with high-quality concrete that resists weathering, wear, and aging.
- Foundations are pre-poured at the plant, minimizing delays and reducing labor costs.
- Available in a variety of colors to complement your property's style while maintaining functionality.
