production of precast elevator and stair shafts,
security walls, and precast specialty products,
and launched a factory-sealed paver line

2026

County Materials proudly
celebrates a legacy spanning
more than 80 years in business.
The innovation and ambition
that has fueled our growth over
eight decades continues to set
us apart as an industry leader. In
recent years we have entered new
markets, increased our production
capacity, and launched multiple
new prestressed, precast, concrete
masonry, and landscape products.
We continue to set the pace for
the construction and landscape
industries with bold solutions that
help build the communities where
Americans live, work, and play.
