

GENESIS

FACE-MIX, what is it?

County Materials invests in Genesis Face-Mix Technology® to manufacture beautifully designed pavers and slabs that are backed by the strength and longevity of quality concrete. Our manufacturing process integrally bonds face-mix to the base of each unit, resulting in products that are a step up from contractor-grade quality, offering

exceptional durability, lasting color performance, and captivating surface textures.

Our high-density pavers and slabs are manufactured to meet industry standards for strength and absorption. They stand up to the effects of time, weathering from Mother Nature, and frequent use in everyday life.

Face-Mix

Proprietary face-mix integrally bonded to the base, offering exceptional durability and aesthetic design.

Base concrete mix features larger aggregates for high-compressive strength.

Fine aggregates and dense concrete mix provide a smooth, refined surface.

Pure color pigments and fine aggregates are blended on the surface, providing vibrant, rich, and long-lasting color.

County Materials' pavers and slabs are backed by our customer warranty.
