# SKYLANDS PAVERS

23 13/16 INCH | PAVER

**SKYLANDS™ PAVERS** are used to create rooftop patios, span outdoor entertainment areas, and can be installed as stepping-stones for unique paths. Using pedestals, these smooth pedestal deck pavers turn pitched or uneven surfaces into useful living areas.

*The color photos shown were prepared with careful attention to accuracy. However, colors shown may vary from actual hues and should only be used as a guide. Refer to actual product samples for final color selection. Because concrete units are manufactured with high quality, naturally-mined aggregates and materials, variations in color or shading should be expected in products that are manufactured at different times and in units having different shapes. This color or shading variation is acceptable in the industry.*
