Get a grip on safe footing.

Municipalities, businesses and other entities that incorporate the Americans with Disabilities Act into the design process have a new tool to aid in compliance.

Surefoot™ concrete pavers from County Materials feature a raised tactile surface that is ideal for traction anywhere you need a detectable warning field.

From handicap ramps to doorways and stairwells, durable Surefoot pavers can not only help your ADA compliance but can help make all of your patrons safer as well. Contact your local County Materials representative or log onto www.countymaterials.com.
